Celebrating ALL SOUL'S Day

REMEMBER YOUR LOVED ONES AT THE 10AM FAMILY MASS

Bring Photos

When you come to the 10 am Family Mass on November 2nd, bring photos of loved ones who have died. These will be blessed at the mass and you can take them home.

✘ Let perpetual light shine ✘

This year All Soul's Day (November 2nd) falls on a Sunday. We want to teach our children about God's care for all those who have died. Bring your family to our special family mass at 10am.

PROCESSION TO CEMETERY AFTER MASS

During the mass we'll pray in a special way for all our loved ones who have died and have

gone before us in faith.

Father Ralph will speak to the children about our faith in the

life God offers us after we die. At the end of mass, (weather permitting), we'll go in procession to the St. Brigid's

section of Holy Rood Cemetery for a brief moment of reflection and prayer.

Whether your family has experienced death of a relative or not, we invite you to be part of this special church day.

Helpful Hints

•We're expecting a lot of people to come this day, so come early and carpool where possible.

•If your children have questions about heaven, death, etc., feel free to e-mail Father Ralph so he can incorporate them into the mass.
